

औद्योगिक नीति एवं निवेश प्रोत्साहन विभाग

मंत्रालय, वल्लभ भवन, भोपाल

भोपाल, दिनांक 1 मई 2025

क्रमांक एफ IPI-5-0018-2025-A-11.- प्रदेश में वृहद् श्रेणी के विनिर्माण उद्योगों को सहायता प्रदान किये जाने हेतु विभागीय समसंख्यक आदेश दिनांक 24 फरवरी 2025 द्वारा जारी उद्योग संवर्धन नीति 2025 अंतर्गत प्रावधानित सुविधा/सहायता उपलब्ध कराने एवं दिशा-निर्देश जारी करने हेतु राज्य शासन, एतद्वारा संलग्नक अनुसार मध्यप्रदेश निवेश प्रोत्साहन योजना 2025 जारी करता है।

2. यह योजना उद्योग संवर्धन नीति 2025 के जारी होने के दिनांक 24 फरवरी 2025 से प्रभावशील होगी।

मध्यप्रदेश के राज्यपाल के नाम से तथा आदेशानुसार,

शाश्वत सिंह मीना, उपसचिव.

	Form 1: Cabinet Committee on Investment Promotion (CCIP).....	56
	Form 2: Common Application Form (General Information) For Eligibility Determination In SLEC.....	66
	Form 3: Application form for claiming incentives	74
	Form 4: Details of Standalone R&D for Eligibility Determination.....	83
	Form 5: Claim Form for Standalone R&D Units	85
	Form 6: Application Format by Developer for Assistance for Proposed Private Industrial Park/Industrial Plug and Play Facility	86
	Form 7: Application Format by Developer for Assistance for Established Private Industrial Park/Industrial Plug and Play Facility	88
	Form 8: Milestone completion certificate for Private Industrial Park/ Plug and Play facility	90
	Form 9: Rental Subsidy for Units Established in Plug and Play Parks.....	91
17.	Annexures	92

Annexure 1: CA Certificate for Verification of FCI, Turnover and FDI for new unit.....	92
Annexure 2: CA Certificate for FCI, Turnover and FDI in Case of Expansion and/or Diversification and/or Technological Upgradation	93
Annexure 3: Affidavit for Employment Under IPP 2025.....	95
Annexure 4: CE Certificate to Certify the Capacity of Plant and Machinery in Case of Expansion	96
Annexure 5: Affidavit under the MP Investment Promotion Scheme 2025.....	97
Annexure 6: CA Certificate for IPA in Case of New Unit	99
Annexure 7: CE Certificate for IPA in Case of New Unit	101
Annexure 8: CA Certificate for IPA in Case of Expansion and/or Diversification.....	103
Annexure 9: CE Certificate for IPA in Case of Expansion and Diversification.....	105
Annexure 10: CA Certificate for Technological Upgradation	107
Annexure 11: CE Certificate for Technological Upgradation.....	108
Annexure 12: Bank Certificate	109
Annexure 13: Loan Repayment Schedule	110
Annexure 14: Affidavit for Claiming Incentives under IPP 2025	111
Annexure 15: CA Certificate for Claiming IPA/Technological Upgradation.....	113
Annexure 16: Due Diligence Certificate	114
Annexure 17: Quarterly Statement for Claiming Interest Subsidy under IPP 2025.....	115
Annexure 18: Affidavit for Availing Training and Skill Development Subsidy.....	117
Format A: Employees Details for Training Cost Reimbursement and Employment Generation Subsidy for the year	119
Annexure 19: Affidavit for Availing Assistance for Employment Generation.....	120
Format B: Employee Details for Assistance under IPP 2025/ Assistance for Employment Generation under Garment, Footwear, Toys and Accessories Policy	122
Annexure 20: CA Certificate for Verifying the Details of the Export Freight Cost.....	123

Annexure 21: CA Certificate for Private Industrial Park/ Plug and Play facility.....	124
Annexure 22: CA Certificate for Rent Paid	126

1. INTRODUCTION

The Madhya Pradesh Industrial Promotion Policy (IPP) 2025, notified on February 24, 2025, is designed to establish the State as a leading global investment destination and build a strong industrial ecosystem. With a focus on accelerating industrialization, fostering inclusive growth, generating employment opportunities, and ensuring balanced regional development, the policy lays the foundation to ensure economic prosperity across the State.

To enable its effective implementation, the government is introducing the Madhya Pradesh Investment Promotion Scheme 2025, which provides a structured framework for administering incentives under IPP 2025. The scheme offers comprehensive guidelines on facilities, benefits, and support available to large and mega-category manufacturing industries, along with clear procedures for claiming incentives. By ensuring standardization, transparency, and clarity, the scheme serves as a crucial reference for investors and the department, reinforcing Madhya Pradesh's commitment to becoming a premier hub for industry, investment, and employment generation.

2. PERIOD AND SCOPE OF EFFECTIVENESS OF THE SCHEME

1. This scheme will remain in effect for the effective duration of the Madhya Pradesh Industrial Promotion Policy 2025 (IPP 2025).
2. Large scale manufacturing units commencing production after the date of notification, 24th February 2025 of the Madhya Pradesh Industrial Promotion Policy 2025, shall be eligible to avail the benefits of this scheme.
3. The committee constituted for availing benefits under previous prevalent Industrial Promotion Policy shall be dissolved and the assistance under previous policy & special package sanctioned earlier shall be carried out according to the prescribed process defined in the Madhya Pradesh Investment Promotion Scheme 2025.

4. Mega scale units for which customized package has been sanctioned by Cabinet Committee on Investment Promotion (CCIP) under the Industrial Promotion Policy 2014 (IPP 2014), but commencing production after the notification of the Industrial Promotion Policy 2025 (IPP 2025), shall be eligible to opt between the customized package of incentives under IPP 2014 through CCIP or incentives as provisioned under IPP 2025.

3. DEFINITIONS

3.1. DATE OF COMMENCEMENT OF COMMERCIAL PRODUCTION

The date of issue of the first sale invoice, filed as the 'Date of Commencement of Commercial Production' under IEM (Industrial Entrepreneur Memorandum) Part-B, by a new unit or after expansion, diversification, or technological upgradation.

For the purpose of incentives, the investment or turnover of the unit, as defined in the 'Micro, Small and Medium Enterprises Development Act, 2006' (hereinafter referred to as MSMED Act, 2006), on the 'Date of Commencement of Commercial Production' shall be considered for the classification of the unit as MSME or Large Industry.

3.2. DEPARTMENT

"Department" means Department of Industrial Policy and Investment Promotion, Government of Madhya Pradesh.

3.3. ELIGIBLE FIXED CAPITAL INVESTMENT (EFCI)

3.3.1. Factory sheds and Buildings excluding compound wall, internal roads and dwelling units and GST paid on construction materials.

3.3.2. Plant and Machinery as defined in the MSMED Act, 2006.

Excluding:

- (i) Old Machinery

- (ii) Investments made in ETP, STP, ZLD and other pollution control equipment, WHRS & Co-generation systems, and renewable & non-renewable energy devices.

3.3.3. Investment in Plant & Machinery, as defined in 3.3.2, shall also include the foundation, & cost of transportation, erection, installation (excluding consultancy charges and labour charges).

3.3.4. It is clarified that for the purpose of incentives under this policy, the plant and machinery shall only include the plant and machinery that is being used for the main manufacturing process including labs, packaging sections, or any other machinery as deemed necessary for the manufacturing process. The main manufacturing machinery shall not include furniture, fixtures, generators, transformers/ substation, commercial vehicles, office equipment's, consumables, pre-operative expenses, and GST paid on Plant and Machinery.

3.3.5. In-house R&D facility registered under Department of Scientific and Industrial Research, Ministry of Science and Technology, Government of India:

- (i) For the pharmaceuticals and biotechnology sectors, 100% of the capital cost of establishing in-house R&D is considered under Eligible Fixed Capital Investment (EFCI), but it is capped at 50% of the investment in Plant & Machinery, Factory Sheds and Buildings as defined in sections 3.3.1, 3.3.2, 3.3.3 and 3.3.4. This means that while the full capital cost of in-house R&D is included, it cannot exceed 50% of the investment in Plant & Machinery, Factory Sheds & Buildings.
- (ii) For other sectors, 100% of the capital cost of establishing in-house R&D is considered under EFCI, but it is capped at 40% of the investment in Plant & Machinery, Factory Sheds and Buildings as defined in sections 3.3.1, 3.3.2, 3.3.3 and 3.3.4.

3.3.6. Up to 50% of the cost of captive power generation based on renewable energy sources, subject to a maximum limit of 20% of the total investment in Plant & Machinery, Factory Sheds and Buildings, as

defined under sections 3.3.1, 3.3.2, 3.3.3 and 3.3.4. Additionally, to qualify for this provision, at least 51% of the net power generated must be consumed on-site at the plant. The unit shall produce the certificate of captive power generation and consumption from renewable sources from MPERC.

In case the unit is unable to consume 51% of captive power generated and ceases to be Captive User as per MPERC in a particular year during the eligibility period, the EFCI shall be reduced proportionately, and BIPA would be recalculated accordingly.

3.3.7. Up to 20% of the cost of energy-saving devices, such as Waste Heat Recovery Systems (WHRS) and Co-generation systems, capped at a maximum of 20% of the total investment in Plant & Machinery, Factory Sheds and Buildings, as defined under sections 3.3.1, 3.3.2, 3.3.3 and 3.3.4.

3.3.8. Imported second-hand refurbished machinery with an expected operational life of minimum 10 years.

3.4. EXISTING CAPACITY

Existing Capacity refers to the average annual production of an industrial unit, based on:

i. The average production over the last three financial years before the commencement of commercial production under expansion or diversification,

OR

ii. The capacity declared at the time of the start of commercial production by the unit, as per the Industrial Entrepreneur Memorandum (IEM Part B)/Registration/Certificate issued by a government authority.

Whichever is higher will be considered as the Existing Capacity.

3.5. EXISTING INDUSTRIAL UNIT

‘Existing Industrial Unit’ refers to a unit that commenced commercial production before the notification date of the Industrial Promotion Policy

2025 or any industrial unit undergoing expansion/diversification /technical upgradation, during the period of this policy.

3.6. EXPANSION/ DIVERSIFICATION BY AN EXISTING LARGE UNIT

- i. Units undertaking expansion in existing capacity and/or diversification should invest in plant and machinery at least 30% of the existing investment in plant and machinery (not less than ₹20 Crores) or ₹100 Crores, whichever is lower.
- ii. In the case of expansion, there should be at least a 20% increase in the existing capacity.
- iii. Units undergoing expansion and/or diversification shall be treated as new unit for the purpose of incentives.

3.7. EXPORT

The act of shipping goods and services from Madhya Pradesh to a foreign destination in accordance with applicable laws and trade agreements by Government of India. For the purposes of this policy, Export shall only mean shipping of goods only and shall not include services.

3.8. FINANCIAL INSTITUTION

Refers to financial institution as recognized by the Reserve Bank of India (RBI).

3.9. FIXED CAPITAL INVESTMENT (FCI)

Fixed Capital Investment (FCI) is defined as investment in all fixed assets excluding land.

3.10. FOREIGN DIRECT INVESTMENT OR FDI

‘FDI’ or ‘Foreign Direct Investment’ and all related terms shall carry the same meaning as defined in the Consolidated FDI Policy Circular of 2020 issued by Department for Promotion of Industry and Internal Trade, Ministry of Commerce and Industry, Government of India, as amended from time to time.

3.11. FREIGHT COSTS

Expenses incurred for transportation of finished goods from the point of production i.e. factory premises to the port of export (including seaports, air cargo facilities in India) or international borders, excluding GST.

3.12. INSTALLED CAPACITY

The installed capacity shall mean the capacity declared at the time of the start of commercial production by the unit, as per the Industrial Entrepreneur Memorandum (IEM Part B)/Registration/Certificate issued by a government authority as certified by CE.

3.13. INTELLECTUAL PROPERTY RIGHTS (IPRS)

- (i) Patents refers to the patents as defined and governed under The Patents Act, 1970, as amended from time to time.
- (ii) Trademarks refers to the trademarks as defined and governed under The Trademarks Act, 1999, as amended from time to time.
- (iii) Copyrights refers to the copyrights as defined and governed under The Copyright Act, 1957, as amended from time to time.
- (iv) Geographical Indications (GI) refers to the geographical indications as defined and governed under The Geographical Indications of Goods (Registration and Protection) Act, 1999, as amended from time to time.

3.14. LARGE SCALE INDUSTRIAL UNIT

A manufacturing enterprise which is not classified as MSME as per MSMED Act, 2006 as amended from time to time.

3.15. MEGA INDUSTRY

A unit having an investment of more than:

- 1) More than ₹500 Crore in Plant & Machinery as per MSMED Act, 2006.
- 2) More than ₹250 Crore in Plant & Machinery as per MSMED Act, 2006 for following sectors:
 - a. Any Large Industrial Unit coming in Priority Blocks.

- b. High Potential Sectors, i.e.:
 - i. Personal Care and Cosmetics
 - ii. Petrochemicals, Plastics and Polymers
 - iii. Pharmaceutical and Biotechnology
 - iv. Renewable Energy Equipment Manufacturing
 - v. Any sunrise sector as defined by the State government from time to time.
- 3) More than ₹75 Crore in Plant & Machinery as per MSMED Act, 2006 in the following sectors:
 - a. Agri, Dairy and Food Processing
 - b. Furniture Manufacturing
 - c. Garment, Footwear, Toys and Accessories
 - d. Gems & Jewellery
 - e. Herbal and Minor Forest Produce
 - f. High Value-Add Manufacturing
- 4) Other Sectors (Like IT, ITeS, Tourism, Healthcare, Renewable Energy, etc) as per the policies of their respective department.
- 5) It is clarified here that, for availing customized package, the individual proposal/ project's investment in Plant and Machinery, should qualify under the mega unit definition as mentioned above in this section.

3.16.MPIDC

“MP Industrial Development Corporation (MPIDC)” refers to MP Industrial Development Corporation (MPIDC), formed and incorporated under the Companies Act, 1956, which is under the Department of Industrial Policy and Investment Promotion, Government of MP.

3.17. MSMEs

As defined under the MSMED Act, 2006 by the Ministry of MSME, Government of India, as amended from time to time.

3.18. NEW LARGE SCALE INDUSTRIAL UNITS

Large Industrial units shall mean the industrial unit established within the boundaries of the State of Madhya Pradesh

AND

- (i) A manufacturing enterprise which is not classified as MSME as per MSMED ACT 2006 as amended from time to time.

AND

An industrial entity by which a separate intention to invest proposal has been filed with MPIDC and IEM (Industrial Entrepreneur Memorandum) Part-A and/or Part-B has been received for this purpose from the DPIIT, Ministry of Commerce and Industry, Government of India.

AND

In which new electricity connection has been obtained from the electricity distribution company.

AND

In case there are more than one unit in the same premises, each unit should be physically identifiable.

AND

Should be registered under the GST Act.

3.19. PLUG AND PLAY FACILITIES

Plug and Play facilities refer to fully developed industrial spaces equipped with pre-constructed factory premises, essential utilities, and shared services that enable industrial units to commence operations with

minimal lead time and capital expenditure. The Plug and Play facilities should offer ready-to-use infrastructure like built-up space, power, water supply, roads, gas pipeline, drainage, telecommunications, waste management systems, etc.

3.20. PRIORITY BLOCKS

“Priority Block” refers to blocks as defined in Annexure-A.

3.21. PRIVATE INDUSTRIAL PARKS

Private Industrial Parks are large-scale, planned industrial areas developed and operated by private entities having comprehensive infrastructure, like roads, power, water, drainage, telecommunications, waste management systems, and support services, and may also feature common facility centers, logistics hubs, and shared utilities.

3.22. RENEWABLE ENERGY CAPTIVE POWER PLANT

Means a power plant set up by a unit to generate renewable energy primarily for its own use, provided that not less than net 51% of power so generated is for consumption at the plant site. The unit shall furnish the Captive User status as certified by MPERC.

3.23. STANDALONE INDUSTRIAL UTILITIES

Standalone Industrial Utilities refer to independently developed and operated infrastructure facilities that cater to industries such as power, water, boiler, gas pipelines, and waste management systems like Common Effluent Treatment Plants (CETP), Zero Liquid Discharge (ZLD), etc.

3.24. STANDALONE RESEARCH AND DEVELOPMENT FACILITIES, INDUSTRIAL TESTING / CERTIFICATION LABS

A Standalone Research and Development (R&D) unit is an independent entity engaged in advanced research, innovation, product design, and engineering development to support manufacturing. These units operate separately from production plants but must have a direct and demonstrable link to manufacturing outcomes. To qualify under this

scheme, the research must lead to tangible manufacturing benefits, such as enhanced product performance, cost-efficient production techniques, new industrial materials, or scalable technologies.

To qualify as a standalone R&D facility under this scheme, the unit must:

- Be engaged in applied research, product development, process innovation, prototyping, or engineering advancements that are directly aligned with manufacturing goals.
- At the time of application, these units must present clearly defined, time-bound R&D programs aimed at delivering innovative products or technologies.
- Provide evidence that the research outcomes are intended for integration into a manufacturing process, either by the applicant's enterprise or through industry collaboration.
- Be recognized or registered with national institutions such as the Department of Scientific and Industrial Research (DSIR), Council of Scientific and Industrial Research (CSIR), or any other competent authority as notified by the government.
- Units engaged solely in market research, operational or management studies, routine testing and analysis, process or quality control, or day-to-day maintenance activities shall not be considered as standalone R&D facilities under this definition.

3.25. TECHNOLOGICAL UPGRADATION

Technological upgradation refers to units upgrading their technology (only related to production) and investing at least 30% of existing investment (with a minimum of ₹20 Crore) or ₹100 Crore in Plant & Machinery, whichever is lower.

The unit should be in commercial production for last 7 years for claiming technological upgradation incentive, without the change of product.

3.26. TERM LOAN

Term loan for the purpose of interest subsidy refers to loan taken from financial institution/bank for investment in Plant and Machinery as defined in 3.3.1, 3.3.2, 3.3.3 and 3.3.4.

3.27. TESTING FACILITY

A Testing Facility refers to an institutional or industrial infrastructure dedicated to scientific, technical, and quality assurance testing of raw materials, intermediate goods, and final products across various sectors.

3.28. VENDOR UNITS

Industrial units located in the same factory premises or within 50 km radius of the unit to which it is supplying at least 75% of its end-product.

4. GOVERNANCE STRUCTURE

4.1. CABINET COMMITTEE ON INVESTMENT PROMOTION (CCIP)

1. The Cabinet Committee on Investment Promotion (CCIP) has been constituted under the chairmanship of the Chief Minister. Other members shall include Ministers of Finance, Commercial Tax, and Industrial Policy and Investment Promotion and other members as notified by the General Administration Department (GAD) from time to time.
2. The CCIP is empowered to sanction a customized package of assistance over and above the provisions within the prevalent investment promotion policies of GoMP on case-to-case basis. Such packages shall be available only to Mega Industrial Units.
3. As part of the special package, CCIP may sanction fiscal concessions exemptions, waivers, deferments etc on electricity duty, stamp duty, royalty, government dues, penal interest etc.
4. CCIP is empowered to address any gaps in the implementation and interpretation of this Policy.
5. On the request of investors or Suo-moto, CCIP may review incentive packages sanctioned to any Mega industrial unit. The

investor may request for review of sanctioned CCIP order maximum upto two times. The maximum timeline permissible for submission of such request shall be one year from the date of commencement of commercial production.

6. MPIDC shall act as the Secretariat for CCIP.
7. For other sectors like MSME, Tourism, IT, Energy, Health, Renewable Energy, etc, the concerned departments shall put up the cases for CCIP through DIPIP.
8. For availing the Customised Package under CCIP, the manufacturing units must qualify the basic eligibility criterion (expansion, diversification, technological upgradation, ineligible list, employment, etc.).

4.2. STATE LEVEL EMPOWERED COMMITTEE (SLEC)

- i. SLEC is headed by the Chief Secretary and consists of Principal Secretaries of Department of Finance, Commercial Tax, Energy and Industrial Policy and Investment Promotion. Managing Director, MPIDC is the Member Secretary of the committee.
- ii. The SLEC shall take up inter-departmental coordination and determine the eligibility of assistance as per policy and within the overall customized packages sanctioned by CCIP for Mega industrial units.
- iii. The eligibility of all the incentives **except** Green Industrialisation Assistance, Infrastructure Development Assistance, Assistance for IPR, Organic Certification, Quality Certification, Capital Subsidy on Testing Facility (only for Pharmaceuticals, Biotechnology and Medical Devices) and Cost of Transfer of International Technology shall be determined by SLEC.
- iv. MD, MPIDC is empowered to sanction and disburse incentives as per the eligibility determined by SLEC and the incentives mentioned in 4.2 (iii).

5. APPLICATION PROCEDURE

5.1. SUBMISSION OF APPLICATION FOR CUSTOMIZED PACKAGE

1. Mega Industrial Unit as defined in section 3.15 may seek customized package for incentives beyond the provisions of the policy.
2. In order to avail the customized package investors must file an intention to invest on the Invest portal and submit the proposal in the prescribed format (ref-form-1) to MPIDC through INVEST portal.
3. The proposal shall be presented before the Cabinet Committee on Investment Promotion (CCIP). The CCIP shall sanction the customized package on case-to-case basis. The CCIP process is outlined in Annexure-C.
4. The customised package sanctioned shall be uploaded on the INVEST portal.

5.2. SUBMISSION OF APPLICATION FOR INCENTIVES

1. FOR ELIGIBILITY DETERMINATION

1. To be eligible for claiming incentives under this policy, investors must file an intention to invest on the INVEST portal.
2. After commencement of Commercial production, Investors seeking incentives under the Madhya Pradesh Industrial Promotion Policy 2025/Customised Package sanctioned by CCIP must submit the application online on the INVEST portal (ref Form-2) within 180 days from the date of commercial production against the afore-mentioned intention to invest. Also, for additional investments during one year from the date of the commercial production the application shall be submitted within 180 days from the date of completion of one year from the date of commercial production.
3. In case of delay, the State Level Empowered Committee shall determine the eligibility as mentioned below:
 - a. If application is received within 01 year after 180 days from the date of commencement of commercial production, then on the

merit of reason of delay either delay may be condoned OR deduction on pro-rate basis may be made in assistance amount.

- b. If application is received after 1 year and 180 days from date of commencement of commercial production, then on the merit of reason of delay, the delay may be condoned OR deduction on pro-rate basis may be made in assistance amount OR case may be rejected.
4. Industrial units that has been sanctioned customised package by CCIP must fulfil the minimum eligible investment criterion for mega scale unit as on the date of commencement of commercial production.
5. The application must be accompanied by the necessary enclosures as specified, along with affidavits duly attested by a notary on stamp paper.
6. SLEC shall determine the eligibility of incentives as per the provisions of the scheme.
7. After review and approval by the State Level Empowered Committee, the Secretary of the Committee shall issue an official order specifying the sanctioned incentives including rate, eligibility period of assistance, maximum limit of assistance, etc.
8. A unit can apply for reconsideration of the case to the SLEC only once.

2. FOR CLAIMS

1. After eligibility determination by SLEC, the unit shall apply for claim online on the INVEST Portal. (ref Form3).
2. The application must be accompanied by the necessary enclosures as specified, along with affidavits duly attested by a notary on stamp paper of the prescribed fee.
3. MD, MPIDC is empowered to sanction and disburse incentives as per the eligibility determined by SLEC.
4. Incentives, as mentioned in 4.2 (iii) i.e. Green Industrialisation Assistance, Infrastructure Development Assistance, Assistance for IPR, Organic Certification, Quality Certification, Capital Subsidy on

Testing Facility (only for Pharmaceuticals, Biotechnology and Medical Devices) and Cost of Transfer of International Technology shall be approved, sanctioned and disbursed by MD MPIDC.

However, these claims shall be processed only after the determination of eligibility for other incentives by SLEC.

5. The sanctioned assistance amount shall be disbursed to the unit via e-payment.
6. After the sanction of assistance amount, no interest will be payable in case of delay in disbursement.

6. FINANCIAL INCENTIVES

6.1. INVESTMENT PROMOTION ASSISTANCE

- i. **Basic Investment Promotion Assistance (BIPA):** Basic Investment Promotion Assistance for large units shall vary between 40% to 10% based on the below formula:

$$\text{BIPA} = \text{IF} (\text{EFCI} \geq 2000, 200, \text{IF} (\text{EFCI} \leq 50, 0.4 * \text{EFCI}, \text{MIN} (15 + 0.08 * (\text{EFCI} - 50) + (\text{EFCI} / 12) * ((1 / (1 + \text{EXP} (-5.9 * (1 - \text{EFCI} / 2490)))) * (1 - \text{EFCI} / 2490)) + 9.3 * (1 - \text{EFCI} / 2500), 0.4 * \text{EFCI}, 200)))$$

- ii. BIPA shall be limited to maximum ₹200 Crore.
- iii. BIPA shall be provided in 7 equal annual instalments defined as Yearly BIPA.
- iv. The First claim year shall be the year of commencing production. The units starting production after 30th September shall have an option to choose the next financial year as the First claim year.

In view of the time taken by pharmaceutical units in getting regulatory permissions, quality certifications and international compliances, pharmaceutical units shall be eligible to avail a slack period of up to two (2) years from the date of commercial production in the unit for claiming incentives, i.e. irrespective of the date of commercial production, pharmaceutical units can choose the 2nd or 3rd year after start of commencement of commercial production as first claim year. However, it

is clarified that the time period for assistance shall remain unchanged i.e. 7 years.

- v. The claim for Investment Promotion Assistance, shall be submitted on the annual basis not later than 180 days after the end of every financial year during the eligibility period.
- vi. MD, MPIDC may condone the delay in submitting the applications if valid reason is provided.
- vii. The incentives multipliers shall be provided over and above the Yearly BIPA as mentioned below:

INCENTIVE MULTIPLIERS ON BIPA

1. GROSS SUPPLY MULTIPLE (GSM):

- a. For the 1st year, GSM shall be 1, provided utilization of the total installed capacity, is 40%.
- b. For 2nd year onwards, GSM shall be 1 provided the production is 75% of previous peak year or 50% of the Total Installed Capacity, whichever is more.
- c. In case the above conditions are not fulfilled, GSM shall be reduced proportionately.
- d. In case of a new unit, the installed capacity shall be as defined in Section 3.12.
- e. In the case of expansion, the total installed capacity shall be the sum of the Existing Capacity, as defined in Section 3.4, and the Installed Capacity under expansion, as defined in Section 3.12.

2. EXPORT MULTIPLE (EM)

- a. Export Multiple (EM) is a multiplier applied to Basic Investment Promotion Assistance (BIPA) for industrial units based on their export performance.
- b. EM varies from 1.0 to 1.3, for 25% to 75% of exports with respect to total production quantity for particular claim year. The minimum value of 1.0 applies to units with exports of 25% or less and the maximum value of 1.3 applies to units with 75% or more exports.

- c. Export Multiple is calculated on the basis of the following formula:

$$\text{Export Multiple (EM)} = \text{IF (Export Percentage} < 25\%, 1, \text{IF (Export Percentage} < 75\%, 1 + 0.3 * (\text{Export Percentage} - 25\%) / 50\%, 1.3))$$

- d. The multiplier increases progressively as the export percentage increases.
- e. For units established in SEZ areas, the Export Multiple is fixed at 1.0, regardless of their export percentage.
- f. Only direct exports shall qualify for calculation of export multiple. Deemed exports (sales within India that are treated as exports) will not be eligible.

3. EMPLOYMENT MULTIPLE

- a. Employment Multiple (EYM) is a multiplier applied to Basic Investment Promotion Assistance (BIPA) to incentivize job creation by industrial units.
- b. Employment Multiple varies between 1.0 and 1.5, based on the annual average number of employees in an industrial unit. The minimum 1.0 applies to units employing 100 or less employees and the maximum 1.5 applies to units employing 2,500 or more employees.
- c. Employment Multiple is calculated on the basis of the following formula:

$$\text{Employment Multiple (EYM)} = \text{MAX} [1, \text{MIN}\{1.5, (1 + (\text{AE} - 100) * ((1.5 - 1) / (2500 - 100)))\}]$$

Average Employees in the Reviewed Year (AE):

$$\text{AE} = \Sigma (\text{Employee count at the month end for each month of the financial year}) / 12$$

- d. The multiplier increases progressively as the number of employees rises.
- e. In case of expansion/ diversification, the employment multiple shall remain 1.

4. GEOGRAPHICAL MULTIPLE

- a. Geographical Multiple (GM) is a multiplier applied to Basic Investment Promotion Assistance (BIPA) to encourage industrial investments in priority blocks.
- b. The standard value of Geographical Multiple (GM) is 1.3 for industrial units established in Priority Blocks.
- c. The geographical multiple shall remain 1, for the units that are established in non- priority blocks and cement units, irrespective of the location.
- d. The list of Priority Blocks is provided in Annexure-A.

5. FDI MULTIPLE

- a. FDI Multiple shall be applied to Basic Investment Promotion Assistance (BIPA) to encourage Foreign Direct Investment (FDI) in Madhya Pradesh.
- b. The FDI Multiple varies between 1.1 and 1.2, depending on the percentage of foreign equity in an industrial unit. The minimum value of 1.1 applies to units with less than 26% FDI and the maximum value of 1.2 applies to units with more than 50% FDI.
- c. FDI Multiple is determined using the following formula:

$$\text{FDI Multiple} = \text{IF (FDI} < 26, 1, \text{IF (FDI} \leq 51, 1.1 + (\text{FDI} - 26) * (0.1 / (51 - 26)), 1.2))$$

- d. The multiplier gradually increases as the foreign investment percentage rises.
- e. The FDI equity submitted at the time of date of commercial production, shall be considered for the calculation of FDI Multiple throughout the eligibility period. However, if in any claim period, the FDI equity reduces, the FDI Multiple shall be reduced proportionally as per the formula above.
- f. Irrespective of New Unit or Expansion/Diversification, FDI multiple can be claimed only once by the unit.

6. FOOD PROCESSING MULTIPLE

- a. Food Processing Multiple is a special multiplier applied to Basic Investment Promotion Assistance (BIPA) to encourage investments in the Agri, Dairy, and Food Processing sector.
- b. Food Processing shall carry the same meaning as defined in Chapter 9.1.1 of the IPP, 2025.
- c. The Food Processing Multiple is fixed at 1.5, this means such units will receive 50% additional financial assistance over standard BIPA incentives.
- d. The food processing multiple for all types of Aerated/ carbonated beverages shall remain 1.

7. ADDITIONAL MULTIPLE FOR API/ BULK DRUGS

- a. API/Bulk Drug Multiple is a special multiplier applied to Basic Investment Promotion Assistance (BIPA) for industries involved in Active Pharmaceutical Ingredient (API)/Bulk Drug manufacturing.
- b. API/Bulk Drug shall carry the same meaning as defined in chapter 9.5.1 (1) of the IPP, 2025.
- c. The units of API/Bulk drug manufacturing unit should have a valid API license for availing this multiple.
- d. The multiple for API/ Bulk Drugs is fixed at 1.3 for API and Bulk Drug manufacturing units. This means such units will receive 30% additional financial assistance over standard BIPA incentives.

8. MEDICAL DEVICE MANUFACTURING MULTIPLE

- a. Medical Device Manufacturing Multiple (MDM Multiple) shall be applied to Basic Investment Promotion Assistance (BIPA) to incentivize investments in the medical device manufacturing sector.
- b. Medical Devices shall carry the same meaning as defined in chapter 9.7.1 of the IPP, 2025.
- c. The multiple for Medical Device Manufacturing is fixed at 1.3 for eligible medical device manufacturing units. This means such units will receive 30% additional financial assistance over standard BIPA incentives.

9. MULTIPLE FOR EV MANUFACTURING

- a. EV Multiple shall be applied to Basic Investment Promotion Assistance (BIPA) for industries engaged in Electric Vehicle (EV) manufacturing.
- b. For verification of plant and machinery of EV manufacturing, the unit shall furnish a certificate issued by Chartered Engineer.
- c. The value of EV Multiple is fixed at 1.3 for EV manufacturing units. This means such industries will receive 30% additional financial assistance over standard BIPA incentives.

10. MULTIPLE FOR HVA

- a. High Value-Add Manufacturing Multiple (HVA Multiple) shall be applied to Basic Investment Promotion Assistance (BIPA) for industries engaged in the production of high-value, high-tech, and innovation-driven products.
 - b. High Value-add manufacturing shall carry the same meaning as defined in chapter 9.10.1 of the IPP, 2025.
 - c. The value of HVA Multiple is fixed at 1.3 for high-value-add manufacturing units. This means such industries will receive 30% additional financial assistance over standard BIPA incentives.
- viii. For new units, the BIPA shall be calculated on the investment made in the last three (3) years from the date of commercial production and one (1) year after the commencement of commercial production.
- ix. For expansion and diversification, the BIPA shall be calculated on the investment during the last two (2) years from the date of commercial production and one (1) year after the commencement of commercial production.

6.2. ASSISTANCE FOR TECHNOLOGICAL UPGRADATION

Any type of unit undergoing technological upgradation shall only be eligible for the following incentives:

- 1. The units undergoing technological upgradation shall be eligible to avail only IPA (without multiples) at the rate of 10% of the

investment made in EFCI, capped at maximum of ₹20 Crore in 7 equal annual instalments.

2. The unit must have been in commercial production for the last seven years without a change in product to qualify for the technological upgradation incentive.
3. The EFCI for Technological Upgradation shall include only investments made in upgrading existing machinery.
4. The claim for assistance for technological upgradation shall be submitted on the annual basis not later than 180 days after the end of every financial year during the eligibility period.
5. MD, MPIDC may condone the delay in submitting the applications if valid reason is provided.
6. The incentive shall be calculated on the investment during the last two (2) years from the date of commercial production and one (1) year after the commencement of commercial production.

6.3. GREEN INDUSTRIALIZATION ASSISTANCE

- a. Capital Subsidy for Waste Management Systems:
 - Industrial units setting up waste management infrastructure, including Effluent Treatment Plants (ETP), Sewage Treatment Plants (STP), and pollution control devices, etc are eligible to receive a capital subsidy of 50% on investment made for setting up of Waste Management Systems, with a maximum limit of ₹5 Crore.
 - A capital subsidy of 50% on investment made for setting up of Waste Management Systems with Zero Liquid Discharge (ZLD), subject to a maximum cap of ₹10 Crore.
 - The financial assistance shall be sanctioned in two equal annual instalments.
- b. The incentive shall be calculated on the investment during the last two (2) years from the date on which the facility becomes operational.
- c. For availing green industrialization assistance, the units shall claim within 24 months from the date of the commencement of commercial production of the unit.

- d. MD, MPIDC may condone the delay in submitting the applications if valid reason is provided.

6.4. INFRASTRUCTURE DEVELOPMENT ASSISTANCE

- a. This assistance shall be available to new industrial units that are established on:
- Private land
 - Undeveloped Government land
- b. The capital subsidy of 50%, up to a maximum of ₹5 crore on expenditure incurred by the industrial units for developing the following essential infrastructure shall be made available:
- Road: The approach road to the factory gate from the main road.
 - Water: Necessary infrastructure to source water and Water pipeline developed from the water source to the factory premises.
 - Power: Power line for sourcing electricity from the main line to the factory premises.
 - Drainage and Sewage: Necessary infrastructure developed for the establishment of drainage or sewage infrastructure from the factory gate to the main drainage/sewage infrastructure.
 - Gas pipeline: Necessary infrastructure developed from the main line till the factory gate.
- c. The incentive shall be calculated on the investment during the last three (3) years from the date on which the facility becomes operational.
- d. For availing infrastructure development assistance, the units shall claim within 24 months from the date of the commencement of commercial production of the unit.
- e. MD, MPIDC may condone the delay in submitting the applications if valid reason is provided.

6.5. ASSISTANCE FOR IPR AND ORGANIC CERTIFICATION

To promote research, development, and sustainable practices in the State, the following reimbursements shall be provided to the units established within the State during the policy period:

IPR Assistance

- i. 100% reimbursement of expenses incurred for obtaining intellectual property rights, including filing patents, copyrights, trademarks, and geographical indications (GI) obtained within first 5 years from the date of commencement of commercial production.
- ii. The total reimbursement is capped at ₹10 Lakh over a period of 5 years.
- iii. Units will be eligible for reimbursement of both domestic and international IPR registrations.
- iv. Under the aforementioned financial limit or time limit, a unit can apply for reimbursement of expenses incurred for registering more than one patent/IPR.
- v. The developed product/process for which the patent has been obtained must be used for commercial production/process by the unit in Madhya Pradesh.
- vi. The unit should apply for claiming the incentive within 180 days of the date of the award of the certification.
- vii. MD, MPIDC may condone the delay in submitting the applications if valid reason is provided.

Organic Certification Assistance:

- i. 100% reimbursement of expenses incurred for obtaining organic certifications from APEDA-accredited agencies obtained within first 5 years from the date of commencement of commercial production.
- ii. The total reimbursement is capped at ₹5 Lakh per unit over a period of 5 years.

- iii. Under the aforementioned financial limit or time limit, a unit can apply for reimbursement of expenses incurred for obtaining multiple organic certifications.
- iv. The certified organic product must be utilized for commercial production/process by the unit in Madhya Pradesh.
- v. The unit should apply for claiming the incentive within 180 days of the date of the award of the certification.
- vi. MD, MPIDC may condone the delay in submitting the applications if valid reason is provided.

6.6. INCENTIVES TO PROVIDE EMPLOYMENT TO DIFFERENTLY ABLED PERSONS

- 1. The incentives shall be provided to the units employing differently abled persons.
- 2. The incentives shall be provided for a period of 5 years.
- 3. In order to avail the incentives, minimum 5% of the total workforce, as on date of Commercial Production, should consist of differently abled persons. The unit must maintain the criterion of minimum workforce for a period of 5 years. If in any claim year, the minimum criterion is not fulfilled, the unit shall not be eligible for the incentives.
- 4. The list of the differently abled employees shall be provided by the unit separately along with the disability certificate issued by the competent authority.
- 5. Following incentives shall be provided to eligible units:
 - 1) Skill Development:
 - a) 100% reimbursement of expenses incurred on skill development training for persons with disabilities in government ITIs.
 - b) The incentive shall be available for the persons appointed and obtaining training in first 5 years after date of commencement of commercial production.
 - c) The incentive shall be provided to an individual only once.

2) Employees' Provident Fund (EPF) and Employee State Insurance (ESI) Assistance:

- a) Employees' contribution being deposited by the employer for differently abled employees would be reimbursed for a period of 5 years.
- b) The incentive shall be available for the employees appointed in the first five years from the date of commencement of commercial production.
- c) The amount of reimbursement shall be ₹6,000/month or the actual amount deposited, whichever is less.

3) Reimbursement of Insurance Premium:

- a) 100% reimbursement of insurance premiums paid for differently abled employees.
- b) The reimbursement is applicable only for those differently abled employees who are not eligible for free insurance under the Ayushman Bharat Scheme 2018.
- c) The assistance will be provided for a period of 5 years.
- d) The incentive shall be available for the employees appointed in the first five years from the date of commencement of commercial production.
- e) Units must provide valid proof of premium payments to claim reimbursement.

6. Deduction of Government Assistance: If the industries have received similar assistance under any Government of India scheme, such assistance will be deducted from the incentive payable.

6.7. REIMBURSEMENT OF COST OF TRANSFER OF INTERNATIONAL TECHNOLOGY (Assistance for Units Bringing in FDI more than 26%)

- 1. 50% reimbursement of the cost incurred for International Technology Transfer, limited to transfers completed within the first 5 years from the date of commencement of commercial production.
- 2. The total reimbursement is capped at ₹1 Crore, provided the unit develops local vendor units through the transferred technology.

3. Under the aforementioned financial limit or time limit, a unit can apply for reimbursement of expenses incurred for more than one technology transfer, subject to eligibility.
4. The acquired technology must be implemented for commercial production or process utilization by the unit in Madhya Pradesh.
5. The unit should apply for claiming the incentive within 180 days from the date of completion of the technology transfer to the vendor units.
6. MD, MPIDC may condone the delay in submitting the applications if a valid reason is provided.

6.8. INDUSTRIAL HOUSING

To promote the "Walk to Work" concept and enhance the work-life balance of the industrial workforce, the State Government will facilitate the development of worker housing facilities in and around industrial areas. These efforts will be aligned with guidance notes and concept papers issued by the Government of India, NITI Aayog, and international best practices.

The State Government, through its agencies, will promote industrial housing projects under a Public-Private Partnership (PPP) model, with the provision of Viability Gap Funding (VGF) of up to 40% to make such projects financially feasible. These housing facilities will be made available to industries on a rental basis and will be specifically designed to cater to the needs of industrial workers and their families. This initiative reflects the Government's commitment to ensuring sustainable industrial development alongside improved living conditions and social infrastructure for workers.

To further support labour-intensive sectors of Garments, Footwear, Toys and Accessories, as well as High Value-Add sector, the following enablers will be provided:

- 1) Industrial housing and worker dormitories, along with essential social infrastructure (e.g., canteens, community areas, etc.), shall be permissible on up to 20% of the land allotted by State agencies for industrial use.

- 2) A Floor Area Ratio (FAR) upto 2 shall be allowed specifically for the construction of industrial and worker housing.

Necessary amendments to the Land Management Rules will be undertaken to facilitate the above provisions.

6.9. EXPORT FREIGHT SUBSIDY FOR TRANSPORTATION OF GOODS

1. This incentive shall be provided to the exporting units.
2. The Freight reimbursement shall be for transportation costs incurred for moving finished goods from the factory premises to the international borders or seaport or to the air cargo facility, by road, water, air, rail.

For Example: Unit A is shipping goods for exports to JNPT via Tihi ICD, the costs eligible for reimbursement will include Cost of Transportation from Unit A premise to Tihi ICD and Cost of transport from ICD to JNPT.

3. This subsidy is available for a period of 5 years from the date of Commercial Operation.
4. The maximum amount of reimbursement shall be 50% or ₹40 Lakh per unit per year, maximum upto ₹2 Crore for a period of 5 years.
5. Only direct exports shall qualify for calculation of export freight subsidy. Deemed exports (sales within India that are treated as exports) will not be eligible.
6. The claim shall be submitted on the annual basis not later than 180 days after the end of every financial year during the eligibility period. MD, MPIDC may condone the delay.
7. For availing the export freight subsidy, the unit shall furnish CA certificate verifying the transportation cost based on the e-way bill/transportation invoices and books of accounts.

6.10. ASSISTANCE FOR STANDALONE RESEARCH AND DEVELOPMENT FACILITIES, INDUSTRIAL TESTING / CERTIFICATION LABS

1. The standalone research and development facilities, industrial testing / certification labs as defined under section 3.24 of this scheme shall

be eligible for reimbursement of 25% of the Fixed Capital Investment, up to a maximum of ₹25 Crore.

2. The Fixed Capital Investment shall include R&D equipment and building, excluding land.
3. The units with an investment of ₹125 Crore or more in FCI shall be eligible.
4. The building shall include the main laboratory premises, office building, administrative building, restrooms/washrooms, and allied infrastructure related solely to R&D activities.
5. The reimbursement will be provided in four (4) equal annual instalments.
6. For annual disbursements, the unit must provide an affidavit certifying that the R&D unit is functional, supported by the annual reports submitted to CSIR/DSIR or any other government agency and electricity bills.
7. The date of commencement of operation of the facility shall be the same as the date of purchase of first raw material and/or IEM, whichever is earlier.

6.11. MANDI-FEE REIMBURSEMENT

1. Mandi Fee reimbursement is available to Agri, Dairy and Food Processing sector as per chapter 9.1 of IPP, 2025.
2. 100% Mandi fee will be reimbursed on procurement of agricultural produce for a period of 5 years or a maximum of 50% of investment in Plant & machinery (whichever is earlier or lower).
3. The plant and machinery in point no. 2 shall be limited to investments in main processing machinery upto date of commercial production.
4. This facility of reimbursement will be available only to those units which purchase agricultural produce of the state.
5. The unit shall provide the calculation of the mandi fees paid on the procurement of the agricultural produce of the State, verified by MP

State Agricultural Marketing Board, Department of Farmer Welfare and Agriculture development, along with the annual claim.

6. The claim shall be submitted on the annual basis not later than 90 days after verification is received from the MP State Agricultural Marketing Board.

6.12. POWER TARIFF REIMBURSEMENT

1. Power Tariff reimbursement of ₹1/unit shall be given for a period of 5 years for the following sectors:
 - (i) Units in Agri, Dairy, and Food Processing as per Chapter 9.1 of IPP, 2025.
 - (ii) Units in Garment & Apparel, Footwear, Toys, and Accessories as per Chapter 9.3 of IPP, 2025.
2. The unit shall provide the calculation of the assistance based on the consumption of the electricity, verified by respective DISCOMs along with the claim.
3. The claim shall be submitted on the quarterly basis not later than 90 days from the issue of the calculation by the respective DISCOMs.

6.13. QUALITY CERTIFICATION

- 1) Incentive for Quality Certification is available for the following sectors under IPP, 2025:
 - a) Agri, Dairy, and Food Processing as per Chapter 9.1 of IPP, 2025:
 - The incentive is available for projects obtaining certifications like GMP, USFDA, ISO, ISI, BIS, FPO, AGMARK, Ecomark, or any other national or international quality certification.
 - The subsidy will be available for a period of 5 years.
 - The subsidy is available in the form or reimbursement which shall be 50% of the total cost incurred for obtaining the certification or ₹5 Lakh, whichever is lower or earlier within the specified time period.
 - b) Aerospace And Defence Production Promotion as per Chapter 9.4 of IPP, 2025:

- This incentive is available for projects obtaining quality certifications related to the Aerospace and Defence sector.
 - The subsidy will be available for a period of 5 years.
 - The subsidy is available in the form of reimbursement which shall be 50% of the Quality Certification cost or ₹10 Lakh, whichever is lower.
- c) Pharmaceuticals as per Chapter 9.5 of IPP, 2025:
- This incentive is available for Projects obtaining certifications like WHO, GMP, GLP, USFDA, UKMHRA, CE, ISO, ISI, BIS, BEE, Ecomark, HACCP, TQM, or any other national or international quality certification.
 - The subsidy will be available for a period of 5 years.
 - The subsidy is available in the form of reimbursement, covering 50% of the total cost incurred for obtaining the certification or ₹1 Crore, whichever is lower within the specified time period.
- d) Electric Vehicle Manufacturing as per Chapter 9.8 of IPP, 2025:
- This incentive is available for the manufacturers of Electric Vehicles who are obtaining quality certifications related to the Electric Vehicles.
 - The subsidy will be available for a period of 5 years.
 - The subsidy will be available in the form of reimbursement of 50% of Quality Certification cost or ₹1 Lakh per model whichever is lower upto a maximum of 10 Lakh.
- e) Renewable Energy Equipment Manufacturing as per Chapter 9.9 of IPP, 2025:
- This incentive is available for the manufacturers of Renewable Energy Equipment who are obtaining quality certifications related to this sector.
 - The subsidy will be available for a period of 5 years.
 - The subsidy will be available in the form of reimbursement of 50% of Quality Certification cost or ₹1 Lakh whichever is lower during the time period.

f) High Value-Add Manufacturing as per Chapter 9.10 of IPP, 2025:

- This incentive is available for the High Value-Add Manufacturing sector units who are obtaining quality certifications related to this sector.
 - The subsidy will be available for a period of 5 years.
 - This subsidy will be available in the form of reimbursement of 50% of Quality Certification cost or ₹1 Lakh whichever is lower.
- 2) Under the aforementioned financial limit or time limit, a unit can apply for reimbursement of expenses incurred for procuring more than one quality certification.
 - 3) The quality certification assistance is available only to those units that are operational in Madhya Pradesh.
 - 4) The unit should apply for claiming the incentive within 180 days of the date of the award of the certification.
 - 5) MD, MPIDC may condone the delay in submitting the applications if valid reason is provided.

6.14. INTEREST SUBSIDY

1. Interest Subsidy shall be available to the units in the:
 - a) Textile sector as per Chapter 9.2 of IPP, 2025
 - b) Garment & Apparel, Footwear, Toys, and Accessories sector as per Chapter 9.3 of IPP, 2025.
2. Textile units shall be eligible to claim 5% interest subsidy on term loan taken for Plant & Machinery for 5 years from the date of commercial production.
3. Garment & Apparel, Footwear, Toys and Accessories shall be eligible to claim 5% interest subsidy on term loan taken for Plant & Machinery for 7 years from the date of commercial production.
4. The plant and machinery, for the purposes of interest subsidy, shall only include the plant and machinery that is being used for the main manufacturing process, as defined in the section 9.2.1 of the IPP 2025. It would exclude power related machinery, waste management, etc.

5. For the purpose of the assistance, the term loan disbursed by the bank upto date of commercial production plus one (1) year after the date of commercial production shall be considered.
6. The maximum amount of interest subsidy for a unit shall be ₹50 crores.
7. Unit must submit the loan sanction order, Bank certificate for term loan sanctioned and disbursed for purchase of plant and machinery, Repayment schedule, and Due diligence certificate in prescribed format for determination of eligibility by SLEC.
8. The claims can be presented on quarterly basis along with the quarterly claim statement and due diligence certificate issued by the bank.
9. The interest subsidy shall be sanctioned according to the subsidy amount mentioned in the repayment schedule or as per the quarterly claim statement, whichever is lower.

6.15. TRAINING & SKILL DEVELOPMENT

1. Assistance for Training and Skill Development available to the units in the:
 - a) Garment & Apparel, Footwear, Toys, and Accessories sector as per Chapter 9.3 of IPP, 2025.
 - b) High Value-Add Manufacturing as per Chapter 9.10 of IPP, 2025.
2. A one-time reimbursement of ₹13,000 per new employee shall be provided for skill development and training expenses.
3. The reimbursement will be available for a period of 5 years starting from 3 months prior to the date of commencement of commercial production.
4. The subsidy is applicable to units with employing more than a total of 250 employees, i.e. total number of employees should be more than 250 irrespective of expansion/diversification.
5. The duration of the training and skill development should be a minimum of 104 Hours or 13 working days.
6. The maximum number of employees eligible for this assistance is 4,000.
7. This assistance will be provided only to Madhya Pradesh domicile employees.

6.16. ASSISTANCE FOR EMPLOYMENT GENERATION

1. This assistance is available only to the units in Garment & Apparel, Footwear, Toys, and Accessories sector as per Chapter 9.3 of IPP, 2025.
2. Employment Generation Assistance of upto ₹5,000 per month per new employee for a maximum period of 5 years for employees who join within the first 8 years after commencement of commercial operations.
3. The assistance period is capped at 10 years from the date of commencement of commercial production, i.e., Employees hired in the eighth year will be eligible for the subsidy only for the next two years from their date of appointment.
4. Employment Generation Assistance shall be available to a new employee only once, for a maximum cumulative period of five years, irrespective of whether the employee leaves and rejoins the same unit at a later time i.e. if an employee rejoins, the previously claimed assistance period shall be counted towards the total five-year limit.

Further it is clarified that, the assistance shall be available for new employee only once irrespective of the expansion/diversification by unit.

5. The subsidy is applicable to units with employing more than a total of 250 employees, i.e. total number of employees should be more than 250 irrespective of expansion/diversification.
6. Conditions for Eligibility:
 - a. The assistance will be subject to maintaining a minimum average percentage of total Madhya Pradesh domicile employees in the unit irrespective of the expansion/diversification, as follows:
 - i. Within 1 year from the commencement of production: 50%
 - ii. Within 3 years from the commencement of production: 75%
 - iii. Within 5 years from the commencement of production: 90%
 - b. If the aforementioned conditions are not fulfilled, the assistance shall be reduced proportionately.

6.17. REIMBURSEMENT OF STAMP DUTY AND REGISTRATION CHARGES

1. This incentive is available for the units coming up in:

- a. Garment & Apparel, Footwear, Toys, and Accessories sector as per Chapter 9.3 of IPP, 2025.
2. These units will be reimbursed 100% of the stamp duty and registration fee charged on the land lease.
3. The subsidy is applicable to units that take land on lease in industrial areas established by the State Government.

6.18. INCENTIVE FOR SETTING UP OF TESTING FACILITY

- 1) Incentive for setting up of testing facility is available for the following sectors under IPP, 2025:
 - a) Pharmaceuticals as per Chapter 9.5 of IPP, 2025:
 - (i) 50% of the Capital Investment shall be reimbursed, subject to a maximum limit of ₹1 Crore.
 - (ii) The capital investment shall include the investment done in plant and machinery, equipment's, testing lab building, and other related infrastructure.
 - (iii) The testing facility shall furnish the requisite certifications/permissions from the competent authority recognised by Government of India/Government of Madhya Pradesh.
 - (iv) The testing facility involved in experimentation on animals shall be registered under the Committee for the Purpose of Control and Supervision of Experiments on Animals (CPCSEA) and controlled by The Institutional Animal Ethics Committee (IAEC).
 - b) Biotechnology as per Chapter 9.6 of IPP, 2025:
 - (i) 50% of the Capital Investment shall be reimbursed, subject to a maximum limit of ₹1 Crore.
 - (ii) The capital investment shall include the investment done in plant and machinery, equipment's, testing lab building, and other related infrastructure.
 - (iii) The testing facility shall furnish the requisite certifications/permissions from the competent authority

recognised by Government of India/Government of Madhya Pradesh.

- (iv) The testing facility must be registered under the Committee for the Purpose of Control and Supervision of Experiments on Animals (CPCSEA) and controlled by The Institutional Animal Ethics Committee (IAEC).

c) Medical Devices as per Chapter 9.7 of IPP, 2025:

- (i) 50% of the Capital Investment shall be reimbursed, subject to a maximum limit of ₹1 Crore.
- (ii) The testing facility shall furnish the requisite certifications/permissions from the competent authority recognised by Government of India/Government of Madhya Pradesh.

d) Electric Vehicle as per Chapter 9.8 of IPP, 2025:

- (i) Investment in in-house testing facilities, including battery testing, shall be considered under Eligible Fixed Capital Investment (EFCI).
- (ii) The maximum eligible investment under EFCI shall be 50% of the cost of Plant & Machinery, Factory Sheds and Buildings as defined under sections 3.3.1 and 3.3.2.
- (iii) The testing facility shall furnish the requisite certifications/permissions from the competent authority recognised by Government of India/Government of Madhya Pradesh.

- 2) The unit should apply for claiming the incentive within 180 days of the date of establishment of the testing facility, during the eligibility period determined by SLEC for Investment Promotion Assistance.
- 3) MD, MPIDC may condone the delay in submitting the applications if valid reason is provided.

6.19. CONCESSION IN DEVELOPMENT CHARGES

- 1) The Concession in Development Charges is available for the following sectors under IPP, 2025:

- a) For Garment & Apparel, Footwear, Toys, and Accessories as per Chapter 9.3 of IPP, 2025 and Renewable Energy Equipment Manufacturing as per Chapter 9.9 of IPP, 2025:
 - (i) In addition to the effective rebate on land premium as per the prevalent Madhya Pradesh State Industrial Land and Building Management Rules, units shall be provided a 50% concession on the development charge levied by MPIDC.
 - (ii) The MPIDC shall reimburse this concession to the unit after the commencement of commercial production.
- b) For Aerospace and Defence Production Promotion as per Chapter 9.4 of IPP, 2025 and Electric Vehicle Manufacturing as per Chapter 9.8 of IPP, 2025:
 - (i) In addition to the effective rebate on land premium as per the prevalent Madhya Pradesh State Industrial Land and Building Management Rules, units shall be provided a 25% concession on the development charge levied by MPIDC.
 - (ii) The MPIDC shall reimburse this concession to the unit after the commencement of commercial production.

7. ASSISTANCE FOR PRIVATE INDUSTRIAL PARK DEVELOPERS

- i. Assistance shall be provided for setting up of food parks, or any other industrial parks related to manufacturing.
- ii. The Private Park developer shall submit the proposal for establishment of Private Industrial Park along with Detailed Project Report and other necessary documents to MPIDC (ref- Form 6). The eligibility shall be subject to the following conditions:
 - a. The private industrial park should be 10 acres or more.
 - b. The investment in Private Industrial Park by the developer should be ₹125 Crore or more.
 - c. The private industrial park should have minimum 5 manufacturing units.
- iii. SLEC shall provide in-Principle approval of the proposal and based on the proposal, broadly defining the following:

- a. Timeline for the completion of the project.
 - b. Investment.
 - c. Infrastructure to be developed.
- iv. The timeline for the completion of the project as determined by SLEC can be extended twice for a period of 1 year each by MD, MPIDC based on merits of the reason of delay.
- v. If the developer fails to complete the project, despite the extension provided, the in-Principle approval granted by SLEC shall stand cancelled.
- vi. The developer of the Private Industrial Park can file an appeal within 180 days in SLEC against the cancellation of the approval of project.
- vii. SLEC shall be authorised to review the appeal and take decision on the basis of merits of the case.
- viii. The Private Industrial Park developer shall submit the application in the prescribed format (ref-Form 7) within 180 days of completion of the industrial park along with the supporting documents to the Managing Director, MPIDC for sanctioning assistance.
- ix. The eligibility for the Assistance shall be determined by SLEC. The developer shall furnish work completion certificates, CA certificates and CE certificates for the investment in Private Industrial Park.
- x. The private industrial park shall comply with the guidelines issued by the competent authority, as amended from time to time.
- xi. Developer Continuity Obligation: Any developer availing assistance under the Madhya Pradesh Industrial Promotion Policy 2025 for setting up a Private Industrial shall not exit, transfer, or assign their role as the developer during the assistance disbursement period and additional three (3) years thereafter.

Any proposed change in ownership, management, or developer status during this period shall require prior written approval from the MD, MPIDC.

xii. Fiscal Incentives:

- a. **Reimbursement of Stamp Duty and Registration Charges:**
100% reimbursement of stamp duty and registration charges

shall be provided on the purchase of land for the industrial parks.

b. Fixed Capital Assistance for Infrastructure Development:

- Developers of private industrial parks are eligible for fixed capital assistance.
- Assistance will be in the form of reimbursement of ₹20 lakh per acre or 50% of the fixed capital investment done in infrastructure development, whichever is lower, subject to a maximum of ₹40 crore per project.

Fixed Capital investment shall include expenditure in Infrastructure Development as below:

- a. Internal Road development
- b. Internal Power Infrastructure
- c. Internal Water Infrastructure
- d. Internal Drainage Infrastructure
- e. Internal Gas Pipeline
- f. Compound Walls
- g. Any other relevant infrastructure
- The investments done by the developer from the date of submission of proposal till the completion of infrastructure, as per the conditions stipulated by SLEC, shall be considered for the calculation of assistance. The developer shall furnish CE certificate certifying completion of the infrastructure.
- The investments done in Land and infrastructure for dwelling units shall not be eligible for this assistance.
- The fixed capital assistance shall be sanctioned on milestone basis (ref-Form- 8) as provided below-
 - **First Instalment:** First instalment of 50% of the assistance shall be released after completion of infrastructure construction.

- **Second Instalment:** Second instalment of 50% shall be provided after the establishment of 5 industrial units, i.e., after the commencement of commercial production of 5 units. The developer shall furnish the IEMs/Udhyog Aadhar of the 5 units along with the affidavit and CE certificate for the same.

c. Green Industrialization Assistance:

- Capital Subsidy for Waste Management Systems:
 - For setting up of Common waste management infrastructure, including Effluent Treatment Plants (ETP), Sewage Treatment Plants (STP), and pollution control devices, etc. are eligible to receive a capital subsidy of 50% on investment made for setting up of Waste Management Systems, with a maximum limit of ₹5 Crore.
 - A capital subsidy of 50% on investment made for setting up of Waste Management Systems with Zero Liquid Discharge (ZLD), subject to a maximum cap of ₹10 Crore.
 - The financial assistance shall be sanctioned in two equal annual instalments.

xiii. The units coming up in the industrial park shall be granted incentives as per the provisions specified in Chapter 8 or Chapter 9 of IPP 2025 or under the policy framework of the respective department governing the industrial sector of the unit.

8. ASSISTANCE FOR DEVELOPING PLUG AND PLAY FACILITIES FOR MANUFACTURING/SERVICES SECTORS AND UNITS ESTABLISHING IN PLUG AND PLAY PARKS

- i. Assistance shall be provided for the development of Plug and Play parks for the manufacturing and service sectors.
- ii. The Plug and Park Developer shall submit the proposal for the establishment of Plug and Play infrastructure along with the Detailed

Project Report and other necessary documents to MPIDC (ref-Form 6).

The eligibility shall be subject to the following conditions:

- a. The investment in Plug and Play Park by the developer should be ₹125 Crore or more.
 - b. The private industrial park shall comply with the guidelines of Town and Country Planning, as amended from time to time.
- iii. SLEC shall provide in-Principle approval of the proposal and based on the proposal, broadly defining the following:
 - a. Timeline for the completion of the project.
 - b. Investment.
 - c. Infrastructure to be developed.
 - d. Common Facility Centres (CFCs) to be developed.
- iv. The timeline for the completion of the project as determined by SLEC can be extended twice for a period of 1 year each by MD, MPIDC based on merits.
- v. If the developer fails to complete the project, despite the extension provided, the in-Principle approval granted by SLEC shall stand cancelled.
- vi. The developer of the Plug and Play Park can file an appeal within 180 days in SLEC against the cancellation of the approval of the project.
- vii. SLEC shall be authorised to review the appeal and take a decision on the basis of merits of the case.
- viii. The developer of the Plug and Play Park shall submit the application in the prescribed format (Form 7) within 180 days of completion of the infrastructure along with the supporting documents to the Managing Director, MPIDC for sanctioning assistance.
- ix. The eligibility for assistance shall be determined by SLEC. The developer shall furnish work completion certificates, CA certificates, and CE certificates for the investment in Plug and Play Park.
- x. Developer Continuity Obligation: Any developer availing assistance under the Madhya Pradesh Industrial Promotion Policy 2025 for setting up a Plug and Play Park shall not exit, transfer, or assign their

role as the developer during the assistance disbursal period and additional three (3) years thereafter.

Any proposed change in ownership, management, or developer status during this period shall require prior written approval from the MD, MPIDC.

xi. Fiscal Incentives:

a. Fixed Capital Assistance for Infrastructure Development:

- Developers of Plug and Play parks are eligible for fixed capital assistance.
- Assistance will be in the form of reimbursement of 25% on the investment made towards fixed infrastructure, subject to a maximum of ₹25 Crore.
- Fixed Capital investment shall include expenditure in Infrastructure Development as below:
 - i. Internal and approach Road development
 - ii. Internal Power Infrastructure
 - iii. Internal Water Infrastructure
 - iv. Internal Drainage Infrastructure
 - v. Internal Gas Pipeline
 - vi. Compound Walls
 - vii. Any other relevant infrastructure
 - viii. Building
- The investments done by the developer from the date of submission of proposal till the completion of infrastructure, as per the conditions stipulated by SLEC, shall be considered for the calculation of assistance. The developer shall furnish CE certificate certifying completion of the infrastructure.
- The investments done in Land and infrastructure for dwelling units shall not be eligible for this assistance.
- The fixed capital assistance shall be sanctioned on milestone basis (ref- Form 8) as provided below-

- **First Instalment:** 50% of the assistance shall be released after the completion of infrastructure construction.
- **Second Instalment:** 25% shall be provided upon achieving a minimum occupancy of 25%, supported by the Rent Agreement.
- **Third Instalment:** 25% shall be provided upon achieving a minimum occupancy of 40%, supported by the Rent Agreement.
- The developer shall furnish the IEMs/Udhyog Aadhar of the established units along with the affidavit and CE certificate for the same.

b. Green Industrialization Assistance:

- Capital Subsidy for Waste Management Systems:
 - For setting up of Common waste management infrastructure, including Effluent Treatment Plants (ETP), Sewage Treatment Plants (STP), and pollution control devices, etc. are eligible to receive a capital subsidy of 50% on investment made for setting up of Waste Management Systems, with a maximum limit of ₹5 Crore.
 - A capital subsidy of 50% on investment made for setting up of Waste Management Systems with Zero Liquid Discharge (ZLD), subject to a maximum cap of ₹10 Crore.
 - The financial assistance shall be sanctioned in two equal annual instalments.

c. Subsidy on Common Facility Centres:

- Developers shall be eligible for capital assistance of 25% on the investment made for the establishment of Common Facility Centres (CFCs).
- The SLEC shall define the CFCs based on the project report on case-to-case basis.

- This assistance shall be subject to a maximum of ₹25 Crore.
- The amenities included in the green industrialization assistance shall not be included in the CFCs. In a broad sense, the CFCs may include, but not limited to the following:
 - a. Shared testing laboratories for industrial quality control.
 - b. Research & Development (R&D) centres for innovation in manufacturing.
 - c. Skill development centres to train and upskill the industrial workforce.
 - d. Logistics and warehousing facilities to support industrial supply chains.

xii. For rental assistance in case of units established in Plug and Play Parks:

- a. The units occupying plug and play facilities developed by private Plug & Play developer under this scheme shall be provided with a 50% rental subsidy for 5 years (Maximum of ₹10 per square ft/ month for 5 years).
- b. The facility shall be available to the manufacturing as well as service sector.
- c. It is clarified that service sector does not include repairs, consultancy services, law firms, pathology, clinics, and any other sector as identified by SLEC from time to time.
- d. For claiming rental assistance, units must submit rent agreement and CA certificate for rent paid by the unit.
- e. To claim rental assistance the units occupying plug and play spaces shall submit form (ref- Form 9) with necessary documents, within 180 days from the start of start of the commercial operations.

- f. Units which have taken plug & play spaces on concessional monthly rentals offered by either Private or Government developer will not be eligible to take rental assistance.
- g. This rental subsidy shall also be available to the units occupying plug and play facilities developed by MPIDC.

9. TERMS AND CONDITIONS

1. Incentives and financial assistance under this policy shall be applicable only to the large-scale manufacturing units, standalone Research and Development Facilities, Industrial Testing / Certification Labs or Private Park Developers or Plug and Play Facility Developers.
2. MPIDC will be the nodal agency for the implementation of this Policy. Investors shall have to register their proposal with the Single Window System of MPIDC and use the Intention to Invest Number/ Intention Number to avail incentives under this policy.
3. Units which have already been sanctioned incentives under IPP 2014 or earlier policies or which have commenced the Commercial Production before the notification of this policy, shall not be eligible for benefits under this policy.
4. In any case, the gross investment assistance given to the unit shall not exceed the total amount of investment made by the unit in Fixed Capital Investment (excluding Garment, Toy, Footwear and Accessories units where the capping shall be 200%).
5. If an industry qualifies for incentives under multiple policies of the Madhya Pradesh Government, the investor shall be eligible to receive benefits under only one policy of their choice unless specifically mentioned in the policy that it is over and above IPP, 2025. This is subject to the condition that the cumulative assistance may not be more than the investment amount in FCI (excluding Garment, Toy, Footwear and Accessories units where the capping shall be 200%).
6. If a manufacturing unit wishes to avail financial assistance from Government of India over and above its eligibility under this Policy, it may do so, subject to the condition that the cumulative assistance

may not be more than the investment amount in FCI (excluding Garment, Toy, Footwear and Accessories units where the capping shall be 200%).

7. For units manufacturing fuel-grade ethanol, at least 75% of the total produce should be supplied to the Oil Manufacturing Companies (OMCs). If this condition is not fulfilled in any claim year, that unit shall not be eligible for assistance in that particular year.
8. The unit shall remain in production during the assistance period and for the next 3 years thereafter. In case the unit is closed for more than 6 months during this period, the entire amount of assistance will be recovered along with the interest rate compounded annually @ 10%.
9. It will be mandatory to keep the investments in EFCI, as defined in Section 3.3, for which assistance is sanctioned during the period of assistance and for 3 years thereafter.
10. There shall be no alteration or reduction in the EFCI and change in the location of the unit on which the assistance is sanctioned during the period of assistance and for 3 years thereafter.
11. Change in ownership of investments in EFCI, during the period of assistance and thereafter for 3 years, shall not be done without obtaining prior permission from Managing Director, MPIDC. If such a change is made after obtaining permission, then all the responsibilities and rights of the previously established unit under Madhya Pradesh Industrial Promotion Policy 2025 will be applicable to the new/changed unit.
12. To avail benefits under Industrial Promotion Policy -2025 it shall be mandatory for industrial units to provide 70% of the total employment to domicile of Madhya Pradesh.
13. Mega Industrial Units shall be eligible for sanction of special packages on a case-to-case basis by Cabinet Committee on Investment Promotion (CCIP).
14. Any industry declared as defaulter by the State and Central Government and their undertakings shall not be eligible for assistance under this policy.

15. If a unit gives false declaration for obtaining incentive under the policy or incentive are availed by an ineligible unit, the amount of incentive is liable to be recovered from the date of availing of such incentive with the interest rate compounded annually @ 10%.

10. APPEAL

An appeal against the decision of the State Level Empowered Committee can be made through MPIDC before the “Cabinet Committee on Investment Promotion” (CCIP) within three months from the date of receipt of the decision. The CCIP will be able to relax the delay in late appeals based on merits.

11. AMENDMENT/RELAXATION/REPEAL

Notwithstanding anything contained in the provisions under the scheme, Department of Industrial Policy and Investment Promotion, Government of Madhya Pradesh at any time:

- ❖ Will be able to modify or cancel this scheme,
- ❖ Will be able to relax the implementation of the provisions of this scheme,
- ❖ Can issue instructions and guidance with a view to facilitate the implementation of the Scheme or to remove discrepancies and to interpret the provisions of the Scheme.

12. JURISDICTION

Any dispute, controversy, or claim arising out of or in connection with the MP Industrial Promotion Policy 2025, including any issues related to its interpretation, performance, or breach, shall be subject to the exclusive jurisdiction of the courts located in the state of Madhya Pradesh, India.

13. ANNEXURE – A LIST OF PRIORITY BLOCKS

“Priority Block” refers to blocks where no large industrial unit has been established. The list of priority blocks shall be revised by the department in every 2 years.

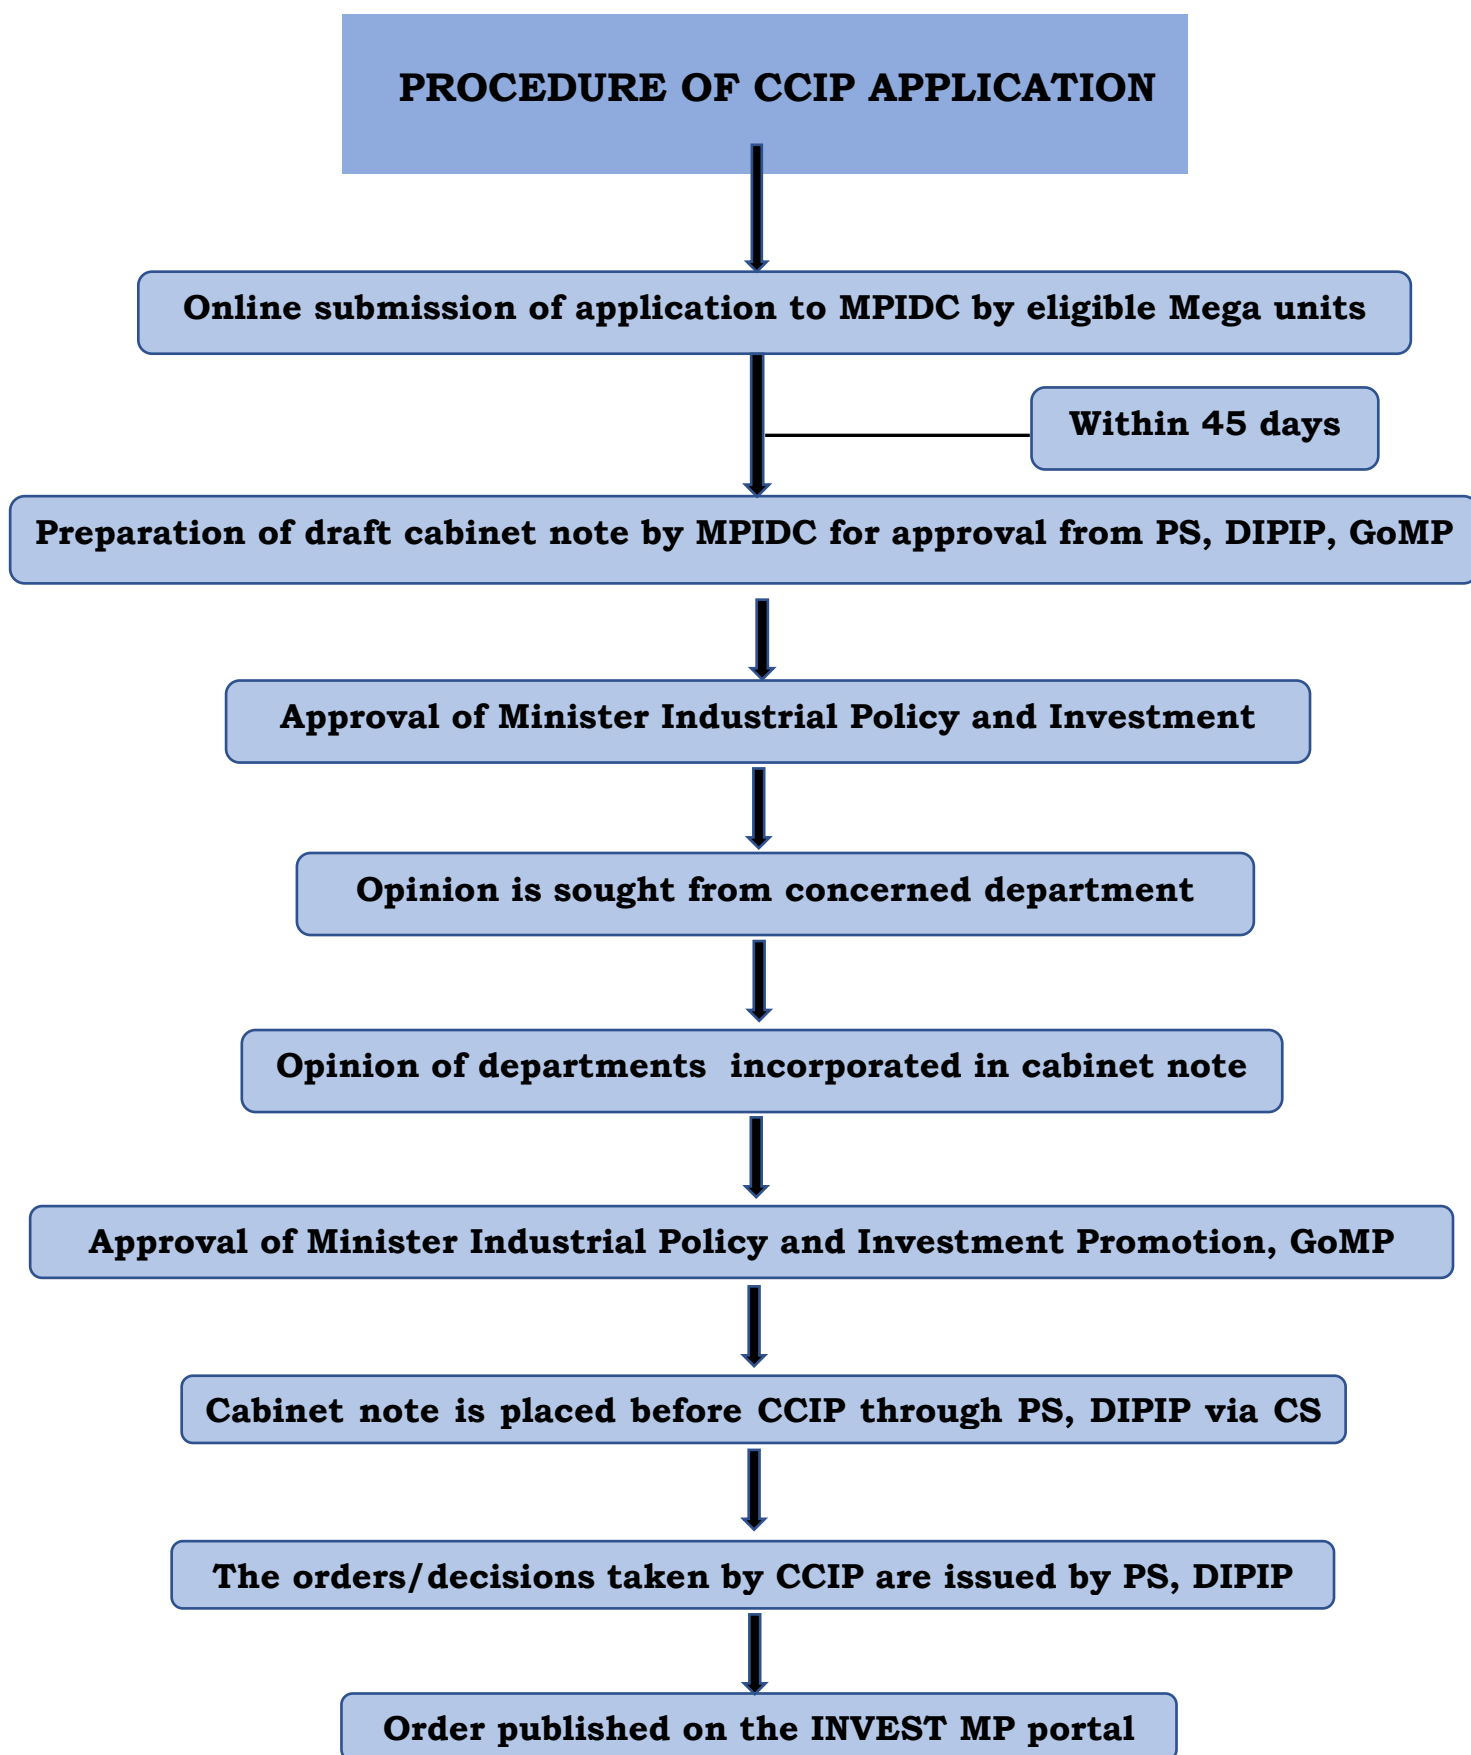

As per existing list of priority blocks.

14. ANNEXURE – B LIST OF INELIGIBLE INDUSTRIES

#	LIST OF INELIGIBLE INDUSTRIES
1.	All types of mining activity (where there is no value addition)
2.	Any industry declared ineligible by the Government of India and Government of Madhya Pradesh from time to time
3.	Beer and liquor (excluding winery, microbrewery)
4.	Central and State Government undertakings*
5.	Manufacturing of all kinds of pan masala and gutka
6.	Manufacturing of Charcoal
7.	Manufacturing of Tobacco and tobacco-based products
8.	Thermal Power Generation Plants
9.	Pressing of iron/steel scrap into blocks or any other shapes (other than vehicle scrapping as per GoI notification)
10.	Publishing and Printing processes of all types
11.	Sawmilling and planing of wood
12.	Slaughterhouse and industries based on meat
13.	Stone crusher and grinding of minerals, excluding M Sand and Ready-mix concrete

* CCIP after considering proposals on a case-to-case basis may provide a customized package.

15. ANNEXURE – C PROCESS OF CCIP APPLICATION

16. FORMS (INDICATIVE)

Form 1: CABINET COMMITTEE ON INVESTMENT PROMOTION (CCIP)

M.P. INDUSTRIAL DEVELOPMENT CORPORATION LTD.

(Govt. of Madhya Pradesh Undertaking)

21, Arera Hills, Bhopal, Madhya Pradesh, 462011

Subject: Application for Customized Package of Incentives before Cabinet Committee on Investment Promotion

**Form 2: COMMON APPLICATION FORM (GENERAL INFORMATION) FOR
ELIGIBILITY DETERMINATION IN SLEC**

a. General Information:

1.	Name of the company		
2.	Name of the unit/Project		
3.	GST Number and date of issue <i>(GST certificate to be enclosed)</i>		
4.	Proposal ID number under Intention to Invest and Date <i>(Copy of Intention to invest to be enclosed)</i>		
5.	Date of Commercial Production		
6.	Unit address <i>(Land registration/ lease deed documents to be enclosed)</i>	1. District	
		2. Block	
		3. If Priority Block	Yes/No
		4. Address	(Plot number, Industrial Area, Location of the unit, District)
7.	Type of land	1. MPIDC Ind. Area	
		2. Pvt. Ind. Estate	
		3. Other area	
8.	Name of the Authorized signatory <i>(Board resolution to be enclosed)</i>		
9.	Mobile No.		
10.	E-mail ID		
11.	Office Landline No.		

12.	Constitution of the unit (Select one) <i>(ROC documents and deeds to be enclosed)</i>				
	Proprietorship	Partnership	LLP	Pvt Ltd.	Public Ltd.
13.	Name of the Proprietor/ partner/ Managing Director				
14.	Email Address				
15.	Mobile Number				
16.	Type of Unit (Select one)				
17.	New unit	Expansion	Diversification		Technological Upgradation
18.	IEM Part A/License No. and Date of Issue (Government of India) <i>(IEM Part A to be enclosed)</i>				
19.	IEM Part B/License No. and Date of Issue (Government of India) <i>(IEM Part B to be enclosed)</i>				
20.	Total Investment in the project <i>(CA certificate in prescribed format as per Annexure 1/2 to be enclosed)</i>				
21.	Turnover of the company as on date of commercial production (as per MSMED Act 2006) <i>(CA certificate in prescribed format as per Annexure 1/2 to be enclosed)</i>				
22.	If FDI, % of FDI in equity <i>(CA certificate in prescribed format as per Annexure 1/2 to be enclosed)</i>				
23.	Contribution of the company towards Corporate Social Responsibility (CSR) and CER in MP in the past 3 years.				
24.	Sector of the manufactured product		(Select any one) a. Agri, Dairy and Food Processing b. Textile c. Garment & Apparel, Footwear, Toys and Accessories d. Aerospace and Defence e. Pharmaceuticals f. Biotechnology g. Medical Devices h. EV Manufacturing i. Renewable Energy Equipment		

		Manufacturing j. High Value Add Manufacturing k. General Manufacturing (Any other manufacturing, please specify)
25.	Means of finance in the current Project (in ₹Crores) (Self-attested copy of term loan sanction order from Bank/Financial institutions recognized by RBI in case of financed units to be enclosed)	
i.	Promoter's equity	
ii.	Term loan	
iii.	Foreign Direct Investment (FDI)	
iv.	Total	
26.	Whether the unit is an exporting unit?	Yes/No
27.	Document to be enclosed: i. Affidavit under the MP Investment Promotion Scheme – Annexure 5	

b. Details in case of new units:

1	Details of product (s) manufactured and capacity (IEM to be enclosed)		
	Product (s) manufactured	Annual Installed Capacity	
	i.		
	ii.		
	iii.		
2	Details of investment in fixed assets in ₹ Crores in case of NEW units (CA certificate in prescribed format as per Annexure 1 to be enclosed)		
	Land		
	Building		
	Plant & machinery (as per MSMED Act 2006)		
	Other assets (if any), please specify		
	Total		
3	Electricity Connection Details for new units (Agreement b/w unit and discom to be enclosed along with electricity bill)		
i.	Connection Date		
ii.	Connection type (33/132/220 KV)		
iii.	Power Load		
iv.	Meter details		
4	Employment Details (Affidavit in prescribed format Annexure - 3 to be enclosed)		
	No. of employees Domicile of MP	No. of employee's non- domicile of MP	Total no. of employees

5	Details of differently abled employees <i>(Affidavit in prescribed format Annexure - 3 to be enclosed)</i>	
	No. of differently abled employees	Percentage of differently abled employees with respect to total no. of employees

c. Details for Expansion/ Diversification/ Technological Upgradation

1	1 st Commercial Production date				
2	Details of product and capacity (<i>IEM and CE certificate for verifying production of last 3 years- Annexure-4 to be enclosed</i>)				
	Product manufactured	Capacity Before expansion/ diversification/ Technological Upgradation		Capacity After expansion/ diversification/ Technological Upgradation	Total expansion/ diversification/ Technological Upgradation
		As per IEM	As per average of last 3 years production	As per IEM
